Notable features:

Number 1225 has nice original shop front, but front wall is buckling and cracking. Good facades on 1225-1235 except that 1233 has been spoiled by formstone and cornice removal. Numbers 1239-1245 are smaller, less pretentious houses of same date; Number 1237 has a new front and no cornice. Number 1247 has been altered and formstoned heavily. Reasonably well cared for row; 1227 should be rehabilitated.

Environmental context:

Number 1227 is vacant.
